FDA Compliance The information on this website has not been evaluated by the Food & Drug Administration or any other medical body. We do not aim to diagnose, treat, cure, or prevent any illness or disease. Information is shared for educational purposes only. You should always consult your doctor before acting on any content on this website, especially if you are pregnant, nursing, taking medication or have a medical condition.

*Individual Results May Vary And Are Not Guaranteed: Individual results, including amount and time, will vary. Whether genetic or environmental, it should be noted that results vary from person to person. No individual result should be seen as typical.

Please Read Our Testimonial Disclaimer Here

Some names and personal identifying information on this site have been changed to protect the privacy of individuals. No individual result should be seen as typical.

In compliance with 16 CFR Part 255 and Federal Trade Commission Guidelines on the use of endorsements and testimonials in the marketing and advertising of websites:

The testimonials, statements, and opinions presented on our website are only applicable to the individuals depicted and may not be representative of the experience of others. The testimonials are voluntarily provided and are not paid, nor were they provided with free products, services, or any benefits in exchange for said statements. The testimonials are not indicative of future results or success of any other individuals. We cannot and do not guarantee the medical outcome or the results of individuals utilizing the services or products provided by us or from any of the websites we link or refer to. The testimonials and endorsements found on the site for the benefit of the site or individual services or procedures are, to the best of our knowledge, the true statements and beliefs of the individuals providing them. In short, results may vary, and outcomes are not guaranteed.

Statements found on this website have not been evaluated by the Food and Drug Administration. Products on this website are not intended to diagnose, treat, cure, or prevent any disease. If you are pregnant, nursing, taking medication, or have a medical condition, consult your physician before using our products.
